

Texas Police Trainers LLC

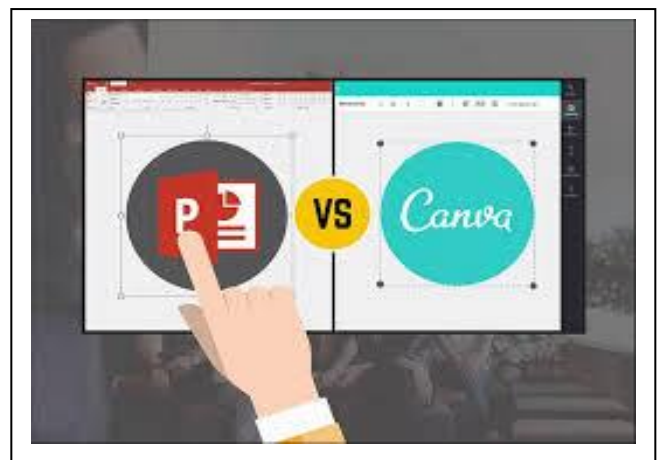

(In partnership with Cowork Media LLC)

Course Description: Master Presentations with Canva (#38704) is an 8-hour Instructor Development Course to assist instructors with new ideas and ways to present in the classroom. Instructional media is a tool used by teachers (instructors) to explain material in the classroom, which is anything that can be used to stimulate learners' thoughts, attention, and feelings, to encourage the learning process. This course will cover basic information on how to use Canva. Canva makes designing beautiful creative assets easy for everyone. From social media images, videos and gifs to posters, websites, booklets, multimedia presentations, and a lot more. Canva is an invaluable tool for helping you level up your design skills, even if you're just getting started.

Topics covered:

- Introduction to multimedia presentations
- Principles of multimedia presentations
- An introduction to Canva
- Planning your multimedia presentation
- Designing your presentation with Canva
- Using multimedia elements
- Creating animations
- Hands-on practice
- Advanced techniques
- Final presentations

Who should attend: Anyone with an Instructor Certification or interested in designing presentations.
