Instructor: Karenza Denson, Forensic Technician

Karenza Denson is a 2016 graduate of the University of Southern Mississippi with a Bachelor' Degree in Forensic Science and Technology with emphasis in Criminal Justice.

Prior to moving to Texas, Karenza worked as an Intern with the Crime Scene Unit at the Hattiesburg Police Department in Mississippi followed by four years as a full-time Forensic Technician in Crime Scene Investigation with the Gulfport Police Department. During her time with Gulfport Police Department, Karenza not only had the opportunity to work numerous crime scene investigation; she also had the opportunity to train department personnel on evidence collection techniques, fingerprint processing, and crime scene documentation.

In 2020, Karenza relocated to Texas and accepted employment with the Houston Forensic Science Center as a Crime Scene Investigator. She performed scene divine, evidence collection and processing as well as crime scene photography and documentation.

Currently and for the last 2 years, Karenza has been employed with KIPP: Northeast College Preparatory in Houston Texas as a Forensic Science and Criminal Investigations teacher. Karenza teaches crime scene documentation, scene security, crime scene photography, evidence collection, chain of custody, sketching and measuring, fingerprint processing, as well as facilitating labs.

Karenza Denson also has experience in court room testimony. Her continuing education consist of crime scene photography with the Mississippi Division of the FBI as well Intermediate Level Latent Print Comparison through Texas Forensic Associates. She is certified in National Integrated Ballistic Information (NIBIN) data acquisition through ATF and Investigation and Reconstruction of Shooting Incidents through Texas Forensic Associates.

Karenza is a member of the International Association for Identification, and a member of the Texas Association for Identification. Karenza is also certified and holds the TCOLE Basic Instructor Proficiency Certification.
