

Texas Police Trainers LLC
(In partnership with Five O Better Life)
Field Training Officer Course (#3702)

Course Description: This course teaches instructors how to provide supervised field training for new recruits in any law enforcement discipline. The goal is to transition the recruit from a classroom setting to an actual hands-on assignment. The course includes training in instructional techniques, coaching and evaluation, remedial training and record keeping. The course is designed to provide training guidance and training aspects to future Field Training Officers in the area of law enforcement, including peace officers, jailers, telecommunication operators, correction officers, public service officers, etc. This course also introduces and teaches the student the History and Purpose of Field Training, Training Methodologies and Techniques, Counseling, the Evaluation Process, and the importance of Documentation. Each student must demonstrate (evaluated at the end of the course) the basic knowledge required to effectively apply all applications of the training.

Topics to be covered:

- Training Methodology & Teaching Techniques
- Counseling
- Evaluation Process
- Documentation

Who should attend: Personnel working in any area of law enforcement
