

Texas Police Trainers LLC Interacting with Drivers Deaf or Hard of Hearing (#7887)

Peace Officers first licensed on or after 03/01/2016, must take Interacting with Deaf and Hard of Hearing Drivers (7887) within 2 years of licensing, if not taken in the BPOC. A peace officer or reserve law enforcement officer who holds a license under Chapter 1701, Occupations Code, issued on or before January 1, 2018, shall complete a training program established under Section 1701.268, Occupations Code, as added by this Act, not later than January 1, 2020.

Summary: Law Enforcement Officers are in daily contact with all types of people. Considering that nearly 10% of the US population has some sort hearing loss, it is reasonable to assume that some of those contacts would be with individuals who are deaf or hard of hearing, especially with the baby boomers reaching their senior years. According to the Americans with Disabilities Act (ADA), people who are deaf or hard of hearing should be given the same services provided to the other 90% of the population. They may not be excluded or segregated from services.

Topics covered:

- Procedures for Interacting with Drivers who are Deaf or Hard of Hearing
- Define the terms “Deaf” and “Hard of hearing” as defined by Section 81.001 of the Texas Human Resource Code
- Discuss appropriate techniques utilized to interact with drivers who are deaf or hard of hearing
- Identify practical suggestions for more effectively communicating with drivers who are deaf or hard of hearing
- Discuss the communication impediment program
- Distinguish what situations require an interpreter per student role-play
- Describe how to identify specialty license plates issued to individuals who are deaf or hard of hearing in the State of Texas
