About the Instructor

Manuel "Manny" Reyes

Criminal Investigations Consultant | Homicide Investigator | Crime Scene Reconstruction Expert

Manuel "Manny" Reyes is a highly respected criminal Investigator, instructor, and consultant with more than 33 years of law enforcement experience, including 28 years dedicated to criminal investigations with the Fort Worth Police Department.

Throughout his distinguished career, Manny served 12 years in Homicide Investigations and six years in the Cold Case Unit, where he established the department's Cold Case Program and reviewed more than 760 unsolved homicide investigations. He actively worked over 260 cold case investigations throughout the United States and Mexico and has become recognized as a subject matter expert in homicide investigations, crime scene reconstruction, interview and interrogation, and major case investigations.

Manny also served on the FBI Violent Crimes Task Force and later worked with Homeland Security Investigations on Human Trafficking investigations. He has been called upon as an expert witness in capital murder cases and has assisted agencies nationwide with complex investigations.

An instructor since 1985, Manny has trained thousands of law enforcement professionals for the Fort Worth Police Department, North Central Texas Council of Governments Regional Police Academy, Tarrant County College Police Academy, and agencies throughout the United States and Mexico.

His instructional expertise includes:

- Homicide Investigations
- Crime Scene Investigation & Reconstruction
- Cold Case Investigations
- Human Trafficking
- Interview & Interrogation
- DNA Evidence Collection
- Search & Arrest Warrants
- Major Case Investigations
- Robbery & Burglary Investigations
- Law Enforcement Spanish

Manny is fluent in English and Spanish and is a member of numerous professional organizations, including the International Homicide Investigators Association, Association for Crime Scene Reconstruction, and the American Investigative Society of Cold Cases.

His investigative work has featured A&E's Cold Case Files, Most Wanted, Most Evil, Web of Lies, Swamp Murders, and numerous national television, radio, and print media outlets.
